Dear Gentlemen:

Enclosed are two copies of the Final "Environmental Restoration Rocky Flats Cleanup Agreement (RFCA) Standard Operating Protocol for Routine Soil Remediation, FY 2002 Notification #02-08, IHSS Group 000-1, Solar Evaporation Pond Area of Concern" and the Industrial Area Sampling and Analysis Plan FY02 Addendum #IA-02-07, Solar Evaporation Ponds Area of Concern, both dated August 2002. Your agency's comments were incorporated in the Final Notification and Addendum.

As agreed during development of these documents, drawings depicting the locations of "hot spots" will be provided following completion of the risk assessment. Concurrence on the risk assessment and hot spot removals will be secured through the RFCA consultative process. We look forward to implementing the action discussed in these documents. Please contact me at (303) 966-5918 or Scott R. Surovchak at (303) 966-3551 if you should have any questions or comments.
